

CREATOR COMMISSION AGREEMENT

Creator Hub Referral Partner Programme

These terms govern your participation in the programme.

By accepting your referral code, you agree to be bound by them.

1. Parties & Acceptance

These terms are issued by **Mad Monkey Hostels** ("the Company"). They apply to any creator ("the Creator") who is admitted to the Company's referral programme and issued a unique referral code.

By accepting your referral code — whether by clicking to accept, by using the Code in any promotional content, or by submitting an invoice for commission — you confirm that you have read and agree to be bound by these terms in full. No further signature is required.

2. Programme Overview

The Creator will be issued a unique referral code (the "Code"). When a customer uses the Code at checkout, they receive a 10% discount on their purchase. The Creator earns a 10% commission on the net revenue generated by each qualifying sale made using the Code.

3. Creator Obligations

The Creator agrees to:

- Promote the Company's products or services honestly and in a manner consistent with the Company's brand guidelines.
- Not misrepresent the Code, offer additional unauthorised incentives, or use the Code for personal purchases.
- Promptly notify the Company of any misuse of the Code they become aware of.

4. Commission & Payment

4.1 Commission Rate

The Creator earns a commission of 10% of net revenue (excluding VAT, refunds, and chargebacks) on all qualifying sales made using the Code during the term of this Agreement - currently applicable for dorm bookings and Ha Giang Loop bookings.

4.2 Qualifying Sales

A sale qualifies for commission where: (a) the customer uses the Creator's unique Code at checkout; (b) the order is completed and paid; and (c) the return/refund window has passed. Commission is not payable on cancelled or refunded orders.

4.3 Minimum Threshold

Commission is only payable where the total amount due in a given month exceeds USD 100 (or local currency equivalent). Amounts below this threshold will roll over to the following month.

4.4 Payment Cycle

The Company will generate a monthly commission report covering the prior calendar month. Payment will be made mid-month or at the end of the month, subject to the Company's standard payment run - around 40 days after invoice is submitted.

4.5 Invoicing

The Creator must submit a valid invoice to the Company's designated email address **[accountspayable.sg@madmonkeyhostels.com]** by the agreed cut-off date each month. The cut-off date is defined as the **15th day of the month following the month in which the revenue was generated** (e.g., an invoice for revenue generated in January must be submitted by February 15th).

The invoice must:

- Match the figures set out in the Company's monthly commission report.
- Reference the Creator's full legal name and unique Creator ID.
- Include complete and accurate bank details, including **bank name, IBAN Number, Account Number, SWIFT/BIC code.**

An [invoice template has been provided by the Company here](#). The Company reserves the right to delay payment on invoices that do not match the commission report until the discrepancy is resolved.

4.6 Dispute Window

The Creator has 7 days from receipt of the monthly commission report to raise any dispute in writing. After this window, the figures in the report are deemed accepted.

4.7 Expiry & Forfeiture of Unclaimed Commissions

Any earned commission must be claimed by submitting a valid invoice in accordance with Section 4.5 within **six (6) months** from the date the applicable monthly commission report is issued.

If the Creator fails to submit a valid invoice or claim payment within this six-month period, the accrued commission will automatically expire, lapse, and be permanently forfeited. Lapsed commissions shall become non-payable and cannot be reclaimed, reinstated, or rolled over under any circumstances.

5. Term & Termination

The Company may terminate this program immediately at any time.

6. Intellectual Property & Confidentiality

The Creator is granted a limited, non-exclusive, non-transferable licence to use the Company's name, logo, and brand assets solely for the purposes of promoting the Company's products under this Agreement. The Creator must not modify brand assets or use them in any context unrelated to the programme.

The Creator agrees to keep the commercial terms of this Agreement confidential and not to disclose them to any third party without the Company's prior written consent.

7. Independent Contractor

The Creator is an independent contractor. Nothing in this Agreement creates an employment, agency, partnership, or joint venture relationship. The Creator is solely responsible for any tax obligations arising from payments received under this Agreement.

ACCEPTANCE

By accepting your unique referral code, using it in any promotional content, or submitting an invoice for commission, you confirm that you have read, understood, and agree to be bound by these terms. These terms constitute a legally binding agreement between you and the Company from the point of acceptance.

If you do not agree to these terms, you must not use your referral code and should notify the Company immediately.
